Dear Brad:

Impressed by the services SpyGlass provided to Desco Federal Credit Union, I just wanted to drop you a quick note to thank you and your staff for your help during our communications bill audit.

All of the employees I dealt with during this project were extremely professional and possessed a great deal of business skill. They deserve to be recognized.

I will definitely recommend your services to other financial institutions and business professionals that I come into contact with.

Thanks Again,

John E. Mahle
