Hello Larry,

Now that we've wrapped up our work with SpyGlass, I wanted to send you a note to recognize the high-quality service your firm performed for Fairview Park City Schools.

From start to finish, our communication with you was strong and SpyGlass delivered on what you said you could accomplish. In our case, some erroneous taxes and unused lines were uncovered as well as an adjustment to our Long Distance service that will save our district money. Overall, we feel great about our experience as a SpyGlass client.

Again, thanks for all your efforts. This is a valuable service for school districts and we would not hesitate to recommend SpyGlass to others looking for cost-savings.

Best,

Ryan Ghizzoni  
Treasurer
